

Cole Family Christmas

Book

80 page, full colour book

engage young readers and encourage families to read aloud together

Heartwarming illustrations by Jennifer Julich-Trojan

Hazel Cole Kende is a first-time author at eighty-eight. With her granddaughter

Jennifer she tells *The Cole Family*

*Christmas*, based on a true tale of Hazel's

coal-mining family. The authors want to

celebrate the richness families bring to the season regardless of presents under the

tree.

Electra offers cozy, down-home designs

to enhance the story. Electra produces graphics for the book and to support the

launch efforts. The results please the

publishers and Electra continues with

the production phase of promotion and

publicizing.
